EARLY ADOPTERS OF KEEPING IT PURE

And by pure, we mean our shampoos and conditioners are free from sulfates, parabens and mineral oils. In fact, we're the OGs of pure color care for your hair. And just like the people in our home state of California, we've always been ahead of the rest when it comes to knowing the importance of living mindfully.

Surrounded by a culture that embraces an active outdoor lifestyle, we see first-hand how the sun, sand and surf can begin to take a toll on your tresses.

So we develop our purest products. Professional hair care that maintains your salon color while also protecting your hair's health.
