

Absolut Repair Molecular

Product Guide.

Visibly fight 2 years of damage, in 1 use.*

- Repairs hair's molecular structure.**
- Restores strength, elasticity & movement.*

Product Name	Description/Benefits	Usage
Pre-treatment	• Restores hair elasticity • Immediate detangling • Highest concentration of peptides bonder + amino acids	• Spray on damp hair from lengths to ends. Apply 15 to 20 pumps depending on the length of the hair. • Work through the length and ends for 1 to 2 minutes. Do not rinse. • Use the full system. In a layering technique, apply Absolut Repair Molecular shampoo directly over the top, then • Rinse and follow with the rinse-off serum.
Shampoo	• Sulfate free to gently cleanses • Nourish and strengthen the hair	• Apply on wet hair. • Lather until a rich foam is obtained. • Rinse. • Follow with Absolut Repair Molecular rinse-off serum and leave-in mask.
Rinse-off Serum	• 3X Stronger hair** • Gives body to the hair • Repairs hair's molecular structure* • Note: Contains Wheat Protein	• Use after Absolut Repair Molecular shampoo and detangle hair, for a better serum absorption. Use on wet hair. • Divide the hair into 2 sections. Press 2-3 pumps of the serum onto the hands. • Distribute evenly onto each section from lengths to ends. For very dry hair, apply from roots to ends. • Work the serum through the hair between the palms of your hands for 1 to 2 minutes. No development time needed, instant action. • Rinse thoroughly & follow with a conditioner or mask, and then Absolut Repair Molecular leave-in mask.
Leave-in Mask	• Smooths & strengthens the hair fiber • Frizz control • Heat protection up to 450°F	• After using Absolut Repair Molecular shampoo and rinse-off serum, apply on towel-dried hair and leave in. • Proceed to blow-dry or air-dry.

*With system of shampoo + rinse off serum + leave in mask.

**With continuous use of rinse off serum.
