

PULPRIOT

COSMIC
COLLECTION

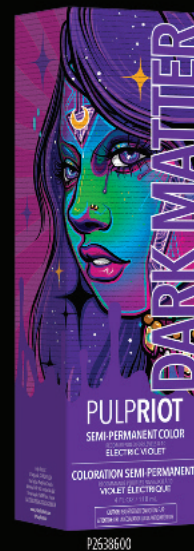

Dara Quick, artist & owner of She Comes In Peace Salon in New Orleans was the perfect fit to collaborate with for this spacey collection. "I'm always experimenting with color & form to create unique pieces of wearable art & was able to fully bring my ideas to the table for this collection. Collaborating with Pulp Riot & seeing my vision come to life has been unreal! I hope you love the new shades as much as I do!"
